

Shrimp Feast proceeds benefit the following local charities, as well as other local community groups.

Jamestown 4H Educational Center

The Jamestown 4-H Educational Center has an 80 year tradition of providing a broad range of 4-H educational and recreational programs. Our 4-H programs stimulate positive personal change so our youth can develop positive life skills and attitudes, and life long friendships- all which help them lead more productive lives. This occurs under the guidance of our 4-H Center staff, our 4-H Agents; and numerous trained adult and teen volunteers. For the 2011 summer camp alone, these volunteers gave over 24,000 (awake) hours to our 4H youth- and had lots of fun doing it! Our Center is open "year round" to provide a variety of community and corporate services.
4-H: To make the Best even BETTER.

AVALON

Thank you for making a difference in the lives of the many families in Avalon's emergency shelter and transitional housing program. Over the last year, 143 women and 97 children were sheltered. In addition to emergency shelter, community children benefit from our outreach programs. We work with public schools and students that have been identified as at risk to provide healthy relationship modeling and interactive lessons with students that need extra help. Thank you for your support.

BACON STREET

Provides services to young people and families affected by substance abuse and/or mental health issues. Bacon Street utilizes evidence-based counseling practices to assure quality assessment of problems, and attention to the "whole person" in working with individuals and their families. "We Believe In Families!". Thank you for your support.
