Kiwanis International is a global organization of members of every age who are dedicated to changing the world, one child and one community at a time.

Today's Speaker: Doug Merrill

Doug Merrill was born in Toledo, Ohio. He is the president and founder of the Power UP Foundation. Merrill is a graduate of Bowling Green High School and a graduate of Bowling Green State University.

After graduating high school, Merrill attended Owens Community College where he was a member of the college baseball team. In addition, Merrill had served as a baseball coach for the past 20 years. In 2009, Merrill resigned his position as the head baseball coach at Bowling Green High School.

In 2008, Merrill published the book "Fighting the Demon of Suicide." The book is based upon the eight friends of Coach Merrill's that made the decision to end their own lives. It is Merrill's hope that his book will serve as an educational tool to all of those who work with our nation's youth, will provide hope for parents, and be inspiring for all those who read it.

In 2009, Merrill founded the Power UP Foundation. The foundation was created to provide financial assistance to communities across the country

On behalf of our Board of Directors, our staff and our clients, I want to thank your organization for the grant funds we received for our Shoebox Gifts of Kids outreach program. We anticipate serving 350 children this Christmas by providing a variety of gifts in the boxes that will include gloves, toothbrushes, toothpaste, school supplies, stuffed animals, small puzzles, games and toys.

Our distribution day will be on Saturday, December 11th from 1 p.m. – 4 p.m. and will include a caroling group, hot dogs, cookies and hot chocolate. We will also provide an opportunity for parents to receive a larger gift for each of their children from our "Blessing Room". I would like to invite anyone from the Kiwanis Club to come and see firsthand the joy you have helped provide to the children as they receive their boxes.

Thank you for all you contribute to the health and well being of children in our community. I pray you have a wonderful and joyous holiday season.

In His Service,

Patricia T. McCormick

Salamy

Andrea is employed with Daughtrey and Haag, PC. She has over 20 years of experience in accounting and auditing. Andrea specializes in accounting and tax preparation for individuals and small businesses and is a Certified QuickBooks Pro Advisor. She is licensed in Virginia and New York and is a member of the AICPA and the VSCPA.

She began her career in public accounting and then switched to government auditing, where she was employed by the New York State Comptrollers’ Office. After moving to Williamsburg in 2002 she decided she missed tax seasons so much that she went back into public accounting.

Andrea grew up in the Hudson Valley region of New York State. She attended Bloomsburg University in Pennsylvania where she obtained her degree in accounting. She has resided on the Eastern Shore in Maryland and in the Albany area of New York. She now lives in Williamsburg with her three children. She enjoys spending time with her children, reading, yoga and being outdoors.

These Are Now Overseas

Mary Beth Murphy displays greeting cards that we all signed prior to the holidays. They are now in the hands of grateful servicemen and women overseas, whose day was probably considerably brightened by our simple effort to say “We’re thinking of you during the holidays, and thanks for your service.”

Sponsor Spotlight

Avid Medical (Bronze Sponsor) – Avid Medical entered the Custom Procedure Tray (CPT) marketplace in response to a growing trend. Over the years, health care providers and end users had become frustrated with numerous corporate consolidations resulting in reduced competition and even lower industry standards. Drawing on more than 100 years of combined management experience in custom medical packaging, AVID recognized a need to re-introduce quality back into the custom tray industry. AVID developed a unique delivery platform, formed strategic manufacturing partnerships and raised the bar against which others would be measured.
